HINDMAN - ROBERTS

Sherry Marie Roberts and John Harrison Hindman were united in marriage, May 1 at the Methodist Church in Bethel. The double ring ceremony was performed by Rev. Ronald McKinstry.

The bride is the daughter of Mr. and Mrs. Albert Roberts of Bryant Pond. The bridegroom is the son of Mrs. Constance Doyen Hindman of Bethel and Rev. William Hindman of Beaver Lake, Va. The bride was given in marriage by her father. She wore a floor-length gown of chiffon and nylon, featuring an empire waistline and gauntlet sleeves. The A-line skirt was trimmed with Alencon lace as were the gauntlet sleeves. The veil was one layer of net, elbow length, with a cluster of flowers for the head piece. Her bouquet was of yellow roses and pink carnations.

Mrs. Debi Chase was the matron of honor, wearing an orchid gown and carrying a trio of yellow roses. Bridesmaids were Pam Barker and Nancy Roberts, sister of the bride. Both carried yellow roses.

Hugh Awalt was the best man and ushers were Ricky Westleigh and Lee Hindman, brother of the groom.

Traditional wedding songs were sung by Marge Awalt, aunt of the groom and Albert Henley, grand-father of the bride. They were accompanied by Susan Hathaway on the organ.

Following the ceremony, a reception was held at the church. The couple took their wedding trip to Chincoteague, Va., and will reside in Rumford on their return home.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Planning Board held a regular meeting on Wednesday, June 16, and considered three items. Florence Benson of Woodstock met with the Board to discuss the division of a piece of land on Rt. 232 in Bethel. The Board agreed to send her a letter outlining the procedures she should follow. A form from Central Maine Power requesting approval for the installation of electric service for Urban Bartlett, Jr., in East Bethel was approved. The Board then reviewed a draft map of the flood plain areas in Bethel. Considerable time was spent reviewing flood area boundary lines and in making addition and deletion changes.

The Town's highway department has been undertaking levee construction work on Main Street during the past two weeks. A new sidewalk has been constructed from Charlie's Place to Brown's Variety. The crew is presently rebuilding the sidewalk from the IGA to the Gould Dormitory (Thunderbird). The highway department has three Summer Youth Program employees who are helping with equipment maintenance and who will be assisting on various other projects. The Town has received tentative approval for three CETA positions starting in July. These positions include two maintenance men/laborers for the highway department and a dump attendant.

Upcoming meetings include: Board of Selectmen, Monday, June 28, at 7 p. m. in the Town Office; Planning Board, Wednesday, June 30, 7:30 p. m., Town Office; and the Recreation Board, Tuesday, July 6, 7:30 p. m., Bethel Savings Bank.

MANY JULY 4th EVENTS ESPECIALLY FOR CHILDREN

Many activities during the Fourth of July Bicentennial Week are planned especially for children, and there are others which should include all members of the family. Older children are welcome to attend the Contra Dance on Friday night at Odeon Hall and try a type of dancing which was popular long ago and is now coming back in Maine. The Parade on Saturday morning will give everyone a chance to win a prize for costumes in seven categories (Revolutionary, American Indian, Woodsmen, Athletic, Person of the Future, Child and Horse, and Family Group) and in several overall areas. Get busy and come up with an extra special outfit. The Field Day after the parade will give 5-12 year olds a chance to win special Bethel Bicentennial Ribbons in different kinds of races. Have you ever been on a Scavenger Hunt? Come up to Moses Mason House on Saturday afternoon at 2 and see what happens. On the Fourth, Sunday, Skateboarders will show their stuff on Main Street from noon to two o'clock. Later in the day there will be a picnic on the Common with variety show entertainment. If you want to perform, see Merton Brown at the Town Office. And finally, there will be fireworks at 9, which will be exciting for children and adults.

ATTENTION MARKSMEN, HUNTERS AND ALL SHOOTERS SATURDAY, JULY 3

The Bethel Rifle Guard will sponsor a chicken shoot on July 3, 1976, at the range on Rt. 2, beginning at 9:30 a. m. Come and bring your favorite rifle. See how many chickens you can take home. BICENTENNIAL PICNIC AT THE COMMON ON THE FOURTH

Everyone is cordially invited to attend the Bicentennial Picnic to be held on the Common after the softball game and up to the fireworks display on Sunday, July 4. Participants may bring their own picnic or the Bethel Rotary Club will be selling box lunches. The box lunch will consist of a roast beef sandwich, a hard boiled egg, a piece of fried chicken, cookies, fresh fruit, and potato chips. Soft drinks and ice cream will also be on sale. The box lunches will go on sale at 4:30, and will sell until the 200 available lunches are sold. The ice cream and soft drinks will be on sale from 2:00.

Before, during, and after the picnic there will be entertainment. The entertainment will consist of local, and not so local talent. There will be singing, dancing, and any other talent that you have secretly withheld and wish to reveal to your fellow townspeople for this bicentennial celebration. If anyone would like to entertain, or if anyone knows of someone who needs encouragement to entertain, either be there at the picnic or get in touch with Merton Brown or Sue Tarrar. The entertainment will be spontaneous as possible and will include group participation.

Join your fellow townspeople for the finale of what is shaping up to be a well organized and planned bicentennial celebration.

As a Pharmacist we face a day filled with questions. Some are almost shouted, some are uttered softly, some are barely audible. But all these questions are very important to the people who ask them. We are the health professionals they see most often and most informally. We are the ones they look to for help, every time they walk up to our prescription counter. As a Pharmacist we feel obligated to maintain professional and educational standards to continue the relationship we now have with our public.

Greenwood City —

— Mrs. Colista Morgan, Corres. —

With little or no help from reference books, the only way to learn about an island is to visit it. Although we have visited North Haven many times a trip there teaches us something new. I think there are two classes of people who live on islands. One, who elude the island very much, or two, who just can't stand it—there is seldom a middle ground. If you dislike solitude, are impatient because you may be held up by weather, an island is not for you. But if you can take the weather, tides, and things that come along, like to pick your way in a woody path coming out on a bluff overlooking the sea then just sit and listen to the breakers while gulls' circle, you belong to class one.

We took the ferry from Rockland with its water front bustle, "a taking off place" for several of the islands of Penobscot Bay. Our Maine coast line is like the ragged hem of a garment. The Penobscot Bay is the biggest gouge of all. We saw on our left the replacement of the Simms Hotel and the mile-long Rockland breakwater with a lighthouse at its tip. On the right is the wave-swept promontory, the picture-book lighthouse of Owls Head.

North Haven harbor was as usual picturesque with boats, as we left the ferry for this jewel island of friendliness.

The next day, we met our neighbor, Stanley Quinn, at the golf course where he guided us to "the land of lady's slippers". These clump grow in the trails through the woods, both white and pink in color. Our guide took us across the green to this place in a trailer in which he gathers the grass from the course after he mows it. With

boards across from side to side, the five of us and a dog, were seated high up behind the tractor which he drove. We were all reminded of the "hayrack days" on the farm; more years back than we like to admit.

It was a "pretty" day for the sea and sky were running a race to see which could be bluer.

Across the expanse of green we next went, where we really had a surprise! We approached a place where a few sticks were pushed into the ground. Here our guide stopped and before us appeared a bird floundering along the ground, shrieking and beating the earth with her wings as if in terrible agony. We took pictures. Her mate Mr. Killdeer, appeared to add his cries. Then we looked within the staked circle to see four eggs, thickly blotched with black, brown and lavender, small ends together were in the center of the nest.

Mr. Quinn told us about nests of other years, as we climbed aboard to continue our trip. In a short time we came to another nest and this time our bird performed and seemed unafraid. We took more pictures then left and went on.

Another surprise, a private grave yard in the center of the golf course. A wall around it, simple old stones, a tree, and wild strawberry blossoms, while the sea winds blew above.

Mr. Quinn said he is probably the only caretaker of a golf course with a graveyard.

We appreciated our guide for giving his time and help, took other pictures, then returned home. So the days came and went with

most of them spent on the beaches viewing the islands. Mark, LaSalle, Saddle, Lime, Mouse, Compass and many others while the gulls, ducks, sandpipers and seals entertained. The one baby seal that we saw was white and woolly and as trusting as any new born babe while mother guarded it closely.

Here were the salt air and the green, rocky islands; some deeply indented, and some desolate ledges that hardly show their heads. At times of wind, white surf charges the ledges and then only a good sailor enjoys the sea, like my brother in law.

Until we can go again, I'll remember the friendly people, I'll remember when the sky was azure blue, the water sparkling in the sunlight, puffs of spray against the gray ledges and the green wooded slopes of other islands standing out against the luminous sky near or in the far distance.

Norman Perham and his mother have been at their camp here several times the past week.

Mr. and Mrs. David Holt were at Holt's for the week end, returning on Sunday to Princeton where David works as town manager.

Mr. and Mrs. Nestor Tamminen have returned from a two-week trip to Nova Scotia.

Mr. and Mrs. P. DiArenzo and

family were here at their home because of the death of her mother, Lucy Barrows. They returned to Springfield, Pa., over the week end.

Ann Holt, Bethel, was a recent caller at her parents, Mr. and Mrs. Leonas Holt.

Mr. and Mrs. Lauri Tamminen, Yarmouth, called on Ruth Hastings and Mr. and Mrs. Nestor Tamminen on Sunday.

Mr. and Mrs. Roland Hayes and Elmer Hayes were in Auburn this week to call on Mr. and Mrs. Ardell Hayes.

Ruth Hastings was in Bethel and Gorham on Saturday where she called on friends.

Mr. and Mrs. Charlie Verrill, Norway and Mrs. Mary Perham, West Paris, were Sunday callers at Nestor Tamminen's.

Several from here attended the funeral of Lucy Barrows on Tuesday.

THE GOOD WORD
from the Bible

Do not abhor us, for thy
name's sake, do not dis-
grace the throne of thy
glory: remember, break not
thy covenant with us.

Are there any among the
vanities of the Gentiles that
can cause rain? or can the

not thou he, O Lord our
God? therefore we will wait
upon thee: for thou hast
made all these things.

The mile long parade route
started at the Bangor Auditorium

The route was lined with spec-

during the entire convention.

The 40 & 8 convention meet-
ing was held Thursday and as an
added attraction Saturday evening
the 40 & 8 paraded up Main St.,
to the parking lot with clowns, old
vehicles etc., which provided spec-
tators with a lot of laughs.

Eveline Barrett, Corres.

The Community club supper held at the hall was a howling success. The weather was perfect as well as the abundance of food. 84 adults, 39 children (did I omit any) served plenty of punch as well as coffee and pies galore.

Joe Barrett and Earl Caldwell, (vols) in their wheel chairs. After supper Adeline Stevens played the piano and Tom Hart fiddled and Charles Knauer of Mexico sang "The Hills of dear old Maine" and "That Silver Haired Daddy of Mine" in keeping with Father's Day, June 20. Mr. Knauer is brother-in-law to Joe Barrett and when the hall was purchased in 1948 he began to add his vocal tones to the many gatherings with Mrs. Lois Ellingwood, a former resident at the piano. We hope to have another supper, bigger and better and who knows, it might be a benefit supper.

At six o'clock, as we assembled to eat, Richard Andrews came to tell "Shrimp" Herrick, the Club president that his son, Stanley, had been in a serious accident in front of Richard's home. Stanley's motorcycle, a truck and a car, throwing Stan 40 feet. He was taken by Andrews ambulance to Norway hospital, to C. M. G. and on to St. Mary's in Lewiston. June 21 he was to be operated on to see what the extent of damage was. 10 years old, it will be a long hard pull of six months to a year.

John Estes called on Mrs. Leona Curtis, East Bethel Thursday and had dinner with her.

NEWRY ASSESSORS COMPLETE VALUATION RETURNS

The Newry Assessors met Monday and completed the Valuation Returns for the State Bureau of Property Taxation. Total assessed valuation for 1976, real estate and personal was \$2,547,110; inventories, livestock and stock in trade, \$35,950. Real Estate and Personal Property was taxed at .022, and inventories at the State set rate of .02375 for a total tax commitment of \$56,842.73. Real estate and personal \$56,036.42 and inventories \$806.31. A total of 22,524 acres were taxed under the Tree Growth Law at a valuation of \$240,370. If not under the Tree Growth, this land would have been valued at \$1,013,550. This means a loss in valuation of \$773,180. At .022 this means a loss in tax revenue of \$17,010. Under the law, municipalities are to be reimbursed by the state for 90% of the loss from 1972 taxes, but this reimbursement will not be made until late in 1977. Since taxes are higher now than in 1972, the actual loss to the town is much higher than the 10%. Loss from 1972 taxes is \$10,427.10, with reimbursement loss of \$9,384.44. This loss has to be made up by other taxpayers. With no land under the Tree Growth Tax Law, the 1976 tax rate would have been .0169, instead of .022, or a decrease to approximately 25%.
